Timaya

Chulo eh  
Yeah eh

One white shoe and one knicker  
Got no house and I got no car  
One black boy from Africa  
Got big dreams wey go take me far  
All I want to do is to make the world smile  
My music I dey do is my only substance  
And I really got plans to make the world dance, eh  
I make the world dance

As I get money for my pocket  
Balance eh  
I go just enter the place  
Balance eh  
As I get money for my pocket  
Balance eh  
I go just call all my guys  
Balance eh  
As I get dollars for my pocket  
Balance eh  
I go just dey do anyhow eh  
Balance eh  
As I get money for my pocket  
Balance eh  
Me and my girls fly to Paris

Baby, gimme gimme gimme that thing, oh  
I no come here to play I wan scatter the place  
People try to hold me down slow me down  
I tell them no no no  
I just wan enjoy my life me I wanna run my race  
Back inna the days them say me I broke  
All of them they treat me like a Golly Bob  
Right now my life is a miracle  
All the ladies wanna lick me like a lollipop

As I get money for my pocket  
Balance eh  
I go just enter the place  
Balance eh  
As I get money for my pocket  
Balance eh  
I go just call all my guys  
Balance eh  
As I get dollars for my pocket  
Balance eh  
I go just dey do anyhow eh  
Balance eh  
As I get money for my pocket
