

Born Throway

Timaya

Yeah, yeah, yeah, yeah, yeah
Timaya
Tj 2Solo

So because we no get money dem say we no dey vex
'Cause we been no get dem say we no go fit contest
Tell dem all about our mama
Dem all about our papa

Then because we no get money dem say we no dey vex
'Cause we been no get dem say we no go fit contest
Tell dem all about our mama
Dem all about our papa

Everybody dem are call me a born throway
Make una see wetin una throway
Na who Jehovah nissi don pave the way
Make una see where I dey today

Everybody dem are call me a born throway
I say, born throway, born throway, born throway
Make una see where I dey today
Born throway, now I don dey pay

Right now me a peace ambassador
Me a friend to the governor
Run up to the President
Na we get the parliament

Everybody no more omo da
See the people too dey lẹnúẹ núẹ
Say back inna' the days, na so dem lẹnúẹ núẹ
But right now me no mind dem, me no send dem
Anyhow now, me no blame dem

For your pocket
Whoever you are, it's in your pocket
If you no like me, go hide inside casket
Right now say my life e don locket

Oluwa don bless me, Chineke bless me, Edumare bless me oh
That's why mí tí wàpá jú, mí tí pọ pọ jú
Mí tí pọ pọ jú oh, eh

Everybody dem are call me a born throway
Make una see wetin una throway
When Jehovah nissi don pave the way
Make una see where I dey today

Everybody dem are call me a born throway
Born throway, born throway, born throway
Make una see where I dey today
Born throway, now I don dey pay

T, na me be the general
You can never see my funeral
No go think who drink my mineral

And always we go dey so contral

Anytime dem see me na so dem salute
Let dem know say me no go ever kaput
You know say me go ever look you
Then you can never put my life in a lutas

Pray today me am thinking feeling my life twice
You know say 2Solo me I got the drive time
I go continue to dey strive
'Cause nothing do the first among the first five

Tj, me a boy of abundance
Anywhere I go, I get assurance
Plenty, plenty attendance
That's why dem know me a boy of substance

Everybody dem are call me a born throway
Make una see wetin una throway
Na who Jehovah nissi don pave the way
Make una see where I dey today

Everybody dem are call me a born throway
Born throway, born throway, born throway
Make una see where I dey today
Dem throway, now I don dey pay

Born throway
See I just dey flying very high in the sky
You no go die, we go just dey multiply
Dem are want make we pai but we go dey flying
My guy we no go die

Everybody, me I do this song with the Judas rejected
Now we elected, me so connected
Me am so gifted, me am so lifted
Me am so, me am so, me am so
High, high, high, high

Dem used to look at us like we contraband
But right now na we get the ground
Now we don dey very high above the ground
See all of dem, dem dey underground

Everybody, dem been no been regard us
Dem been no been like us
But right now
I can see many smiles on the face of my mama, yeah
On the face of my papa

Everybody dem are call me a born throway
Make una see wetin una throway
When Jehovah nissi don pave the way
Make una see where I dey today

Everybody dem are call me a born throway
Born throway, born throway, born throway
Make una see where I dey today
Born throw

Everybody dem are call me a born throway
Make una see wetin una throway
Na who Jehovah nissi don pave the way

Make una see where I dey today

Everybody dem are call me a born throway
Born throway, born throway, I say born throway
Make una see where I dey today
Born throway, now I don dey pay

Am clean out, men
