

# I Can't Kill Myself

Timaya

This life I can't kill myself  
I can't kill myself, ohh  
I can't kill myself  
Allow me to flex, oh  
This life I can't kill myself  
I can't kill myself, ohh  
I can't kill myself  
Allow me to flex, oh

Many many years me I don dey go  
Rock the mic, me I rock the show  
Many many hit songs when I go  
Still them go say me I no dey try  
I see them complain of Kanye West  
E Speak him mind the people vex  
Everybody wants to be the best  
But the world can do without the best, oh

Okwa gi ka n si ni Jehovah, eh  
Egweji  
Nobody be like Jehovah, eh  
Egweji  
I say hapu nu my guy  
E clear them for eye  
In the twinkle of an eye  
E do them like film, oh

This life I can't kill myself  
I can't kill myself, ohh  
I can't kill myself  
Allow me to flex, oh  
This life I can't kill myself  
Maka Chukwu  
I can't kill myself, ohh  
I can't kill myself  
Allow me to flex, oh

Iyoko ko ko iyoko ko ko  
When you dey win them go say na wayo  
Iyoko ko ko iyoko ko ko  
Some people say I go babalawo  
No be anybody carry me pass, oh  
Nobody dey carry me pass, oh  
No be anybody dey carry me pass, oh  
Nobody know when me I dey pray and fast, eh  
Only God dey carry me pass, eh  
Only my Jehovah dey carry me pass, oh  
Nobody dey carry me pass, eh

This life I can't kill myself  
I can't kill myself, ohh  
I can't kill myself  
Allow me to flex, oh  
This life I can't kill myself  
Maka chukwu  
I can't kill myself, ohh  
I can't kill myself

Ye ye ye ye ooh oh  
Them don plan  
Whenever I win  
Ye ye ye oh oh  
So we don't care  
Life we dey live
