Timaya

Girl, you look good, baby, please, take a picture  
And you good in a pink white dress, whine for my cinema  
Leggo! Leggo! (Chulo eh)

Burst my head (right)  
I love the way you take it down and grind for me (eh)  
Rain no dey fall everyday  
Say my baby nobody can occupy your space, hear me now (fi real)  
Girl, you burst my head  
I love the way you take it down and whine for me  
Nobody dey make me feel this way  
My shawty, no one can occupy your space (ee eeh ee eeh)

L.O.V.E girl and you know, oh  
That me I place no one above you, eh  
L.O.V.E girl and you know, oo oh (leggo)  
L.O.V.E girl and you know, oh  
That me I place no one above you, eh  
L.O.V.E girl and you know, oo oh (leggo)

O my baby, give me ginger (eh)  
She come around she set the place ablaze  
With you by my side girl me stronger (ehh)  
Nobody can occupy your space  
(Hear me now) right me I'm stronger (stronger)  
With you by my side me I'm wiser (true)  
Ain't no bad like my girl, ain't nobody weh fit take your place  
Baby

L.O.V.E girl and you know, oh  
That me I place no one above you, eh  
L.O.V.E girl and you know, oo oh (leggo)
