

My Model

Timaya

(Jay sleek)
Whoa, whoa, whoa, whoa, whoa, whoa
(Alennia)
2 Solo
Whoa, whoa, whoa, whoa, whoa, whoa

She's my model
My African model
Any time I see her
She just dey make my head dey swell o

She's my model
My red carpet model
Any time I see her
E be like say she cast a spell on me

Inspiration, boostin' my sensation
Lookin' into her eyes, it kinda cause some distraction
I need her cooperation, to take you on a mission
Put on your gown and let's this nigga show some affection

It's like an explosion
But you, baby, are my action
E wo lo kan mi be, if this is just an illusion
You get a lot of fashion, sexual seduction
Abi na kalai mai notion wey dey give your skin dis reaction

Sweet reaction
My mouth no fit mention
Any time I see her
She just dey ginger my emotion
But she do me love potion and I'm on vibration
With your brief description, there's no complication

She's my model
My African mode
Any time I see her
She just dey make my head dey swell o

She's my model
My red carpet model
Any time I see her
E be like say she cast a spell on me

A spell on me, a spell on me
Anytime I see her
E be like say she cast a spell on me
A spell on me, a spell on me, a spell on me

She looks like a goddess
She's got me feeling like a royal highness
Yes, I'm royal highness

And naa me go become be prince
And naa yo go come be princess
Heaven naa my witness
People must to yarn nonsense

But we go pass through the stress
Our lives is so blessed
This feeling is so real

Naa you dey ginger my spirit
Yes, you take me on the high limits
Walahi talahi I love you
Girl and I want you to believe it

And I'll be your Superman
You can call me Allenian
I swear to be your man a
And protect you like Jackie Chan

And naa me go come be prince
And naa you go be princess
Heaven naa my witness
Me and you we too make sense
Iyeeh, eh

She's my model
My African model
Any time I see her
She just dey make my head dey swell o

She's my model
My red carpet model
Any time I see her
E be like say she cast a spell on me
A spell on me, a spell on me, a spell on me
E be like say she cast a spell on me
A spell on me, a spell on me, a spell on me

Yes, I'll take you right to the altar
Yes, I'll put a ring on your finger
Yes, I'll introduce you to mama
Yes, I'll introduce you to papa

Yes, I'll make you feel alright
Me and you, our future so bright
Nothing can tear us apart
I'll take to a great so height, height, high

My model, my damsel
African model and naa you be my angel
This is my model, my damsel
African model and naa you be my angel

She's my model
My African model
Any time I see her
She just dey make my head dey swell

She's my model
My red carpet model
Any time I see her
E be like say she cast a spell on me
A spell on me, a spell on me

Anytime I see I her
E be like say she cast a spell on me
A spell on me, a spell on me, a spell on me
