

PAY BACK

Timaya

Back then when we broke Gad damn
We don't have to pay back
Back then when life bin dey show me pepper
We don't have to pay back

I bought all the places wey dey tell me no
I fuck all the ladies wey dey tell me no
Back inna the days, they say we no go blow
We no only blow, now we don explode

Now my guys now chop chicken and chips
Back then we know, na plantain and beans
Everybody know as e dey go
No be say Papi Chulo wanna show

Back then when we broke Gad damn
we don't have to pay back
Back then when life bin dey show me pepper
We don't have to pay back

Me I'm a freeman now like Nelson Mandela
When me come around the girls dem admire
Dem know say the boy can't expire
Ta ta ta ta, ta ta ta ta ta ta

Tell them now, it's payback
Tell them now
Tell them now, it's payback
Tell them now

Tell them now, it's payback
Tell them now
Tell them now, it's payback
Tell them now

Back then when we broke Gad damn
We don't have to pay back
Back then when life bin dey show me pepper
We don't have to pay back

I bought all the places wey dey tell me no
I fuck all the ladies wey dey tell me no
