See these people wanna killin' me, killin' me

What have I done to the press?
See, these people wanna put me in mess
See, my fans, everybody don dey vex
Just because of say I follow actress

What you talk? Say me I wan depress
See, some people e don begin to dey vex
But who God bless, nobody fit curse

This people wan turn me to mumu
Wetin I no do, them go say I do

Na Jehovah Nissi na hin give me this crown
