

Pull Up

Timaya

(It's Kel-P vibes)

When the girl them pull up
Give them that thing wey dey make them craze
I'm that guy wey dey make them craze
Step inna the place say the girlie them craze, heys

When the girl them pull up
Give them that thing wey dey make them craze
I'm that guy wey dey burst their brain
Step inna the place say the girlie them craze, heys

Right now them realising (Gbo!)
Long time ago, nobody know
Soundbwoy wan analyse it
Nobody know how the thing go
Tell them, make them (Hey)

Anything can happen when the girl them come around
Them no send me before but you know them love me now
We dey give them pepper, people say, "We don dey proud"
And as e be now
Anything is allowed

So pull up
Give them that thing wey dey make them craze
I'm that guy wey dey make them craze
Step inna the place say the girlie them craze, heys

When the girl them pull up
Give them that thing wey dey make them craze
I'm that guy wey dey burst their brain
Step inna the place say the girlie them craze, heys

Right now them realising
Long time ago, nobody know

Tell them make them (Hey)

Anything can happen when the girl them come around
Them no send me before but you know them love me now
We dey give them pepper, people say we don dey proud
And as e be now
Anything is allowed

Say make I give it to you
And I go give it to you
And all that you need to do
Is dance brukututu

Oluwaburna lomo oh
I no be adetutu rara
Look, I no be mugu
I go do you magic, e be voodoo juju

When the girl them pull up

Give them that thing wey dey make them craze
I'm that guy wey dey make them craze
Step inna the place say the girlie them craze, heys
