

Sanko

Timaya

Some of them them ma know me
Some of them them no know me
Some of them keep for me
Everytime the people dancing

Some of them the wanner wine for me
Some of them put it down for me
I love the way the ladies wine for me
Every Monday night

Daga, eh
Everybody, eh
I like the way you do it, eh
Uhm, my people say

All my ladies winam'eh, daga
See this girls them'eh
All my people here you dey, eh
All the ladies where wouna dey
Move your body to the beating, eh

Love me, love me
Need me, need me
All my ladies every body them want me
This sexy body girls them need me

She say she love me she love me
She want me yeah she want me
All my people everybody love me
Sexy body girls everybody Sanko

See this girl them hear me Sanko
People them ma feel me from the Sanko
Hmm you don't care were I don't dey go
See the girl them ma wan to the hear me Sanko

Ah ha
Apostles every year
See the people them ma feel filling me like go
Anywhere that I go, them wan to go
See right now meet them on my floor

I like the way them fit run floor
All my ladies wanner jump front
The ladies every body wanner move front
I like the way you step just dey too follow
Girls them dey wine nam
All my homies them ma jump front
The girls everybody them ma twist dem

Everybody dance see see
I like the way them di put me down
I like the way them di twist me down
Me I like the way girls wine it down
Me I love them, me I love them

I like the way them dey jump around

Me I like the way them di twist me down
Me I love the way girls them wine it down
Asay me I love them, me I love them

Love me, love me
Need me, need me
All my ladies everybody them want me
This sexy body girls them need me

She say she love me she love me
She want me yeah she want me
All my people every body love me
Sexy body girls everybody Sanko
See this girl them hear me Sanko
People them ma feel me from the Sanko
Hmm, you don't care were I don't dey go
See the girl them ma wan to the hear me Sanko
Ah ha
Apostles every year
See the people them ma feel filling me like go
Anywhere that I go
Dager, ah ha
Them ma ready now
