

The Mood

Timaya

I got many things wey I wan talk, oh
Many, many, many tings I wan talk, oh
But I rest my mind
Meanwhile, I dey push my grind
I got no time for no negative vibes
If you hurt me, my guy me I leave you all to God, oh

Set the mood, it's alright
Set the mood, it's alright
Set the mood, it's alright
All I wanna know is bank alert
Set the mood, it's alright
Set the mood, it's alright
Set the mood, it's alright
All I wanna hear is bank alert

From PH City
I pack my bag, come Lagos city
I no go any university
But the boy right now a global citizen
Man I rest my case for the level wey I dey
Me, I no get time at all
Me, I dey thank my God
'Cause he bring me here today
Me no get strength to shout to you, so me say

Set the mood, it's alright
Set the mood, it's alright
Set the mood, it's alright
All I wanna know is bank alert
Set the mood, it's alright
Set the mood, it's alright
Set the mood, it's alright
All I wanna hear is bank alert

I got many things wey I wan talk, oh
Many, many, many tings I wan talk, oh
But I rest my mind
Meanwhile, I dey push my grind
I got no time for no negative vibes
If you hurt me, my guy me I leave you all to God, oh

Set the mood, it's alright
Set the mood, it's alright
Set the mood, it's alright
All I wanna know is bank alert
Set the mood, it's alright
Set the mood, it's alright
Set the mood, it's alright
All I wanna hear is bank alert
