Timbaland

Timbaland]
The 90's paid it, the 90's

Hey there, you nasty boy, it's been a minute (minute)
And I could say my life has changed, since you hit it, (hit it)
This is your strongest trait, you work the middle (baby)
While they say I'm sprung, I'll say, maybe a little

Keeps me shakin'
(I keep you shakin')
He keeps me shakin'
(Keep you shakin')
Your love makin'
(My love makin')
It keeps me shakin'
(I keep you shakin')
Got me chasin'
(G-g-got it, got it, got it)
He must be taken
(You know, you know)
I ain't hatin'
(I ain't hatin')
Cause I like shakin'
(I like shakin')

I like movin' to the little bit (to the little bit girl)
I like getting to the middle baby (middle)
Oh, can you see me coming? (do you see me coming?)
I don't want you to see me coming (hey)
I want to be up on the sneak attack (wooo)
Cause I want to hit it from the back (ohh)
Baby I like shakin', (shakin') ooh, baby I got you shakin'

Keeps me shakin'
(I keep you shakin')
He keeps me shakin'
(Keep you shakin')
Your love makin'
(My love makin')
It keeps me shakin'
(I keep you shakin')
Got me chasin'
(G-g-got it, got it, got it)
He must be taken
(You know, you know)
I ain't hatin'
(I ain't hatin')
Cause I like shakin'
(I like shakin')

She said they always just the same when she loving them
I'm me, living out of pocket, I'm so releveant
The quick fix to all her broken promises
7-11 in that thing, thank you come again
That's All night, all pipe, she alright
I hit it once, she called twice, that's called life
That hotline bling and I'm fire slinging

Telling all her homegirl 'bout it, it ain't no secret
Hard to shake it off when I keep shakin' babe
It on the mind, pay per view where your patience baby?
Go rowdy around piper without your pipe
I kinda like her so it's a must that I change her life for...

Keeps me shakin'
(I keep you shakin')
He keeps me shakin'
(Keep you shakin')
Your love makin'
(My love makin')
It keeps me shakin'
(I keep you shakin')
Got me chasin'
(G-g-got it, got it, got it)
He must be taken
(You know, you know)
I ain't hatin'
(I ain't hatin')
Cause I like shakin'
(I like shakin')

Keeps me shakin'
