Timber Timbre

Do you wanna see a dead body?
Don't you wanna see a dead body?
Ask the community
The community
Do you wanna see a dead body?
Don't you wanna see a dead body?
Ask the community
The community

'Cause the community will stand by you
And do its best job to provide you
With a sacrificial vessel
For you needs
And with the highest of credentials
They'll use their full potential
And with the very best intention
Deceased will be elected

So tell me

Do you want to see a dead body?
Don't you wanna see a dead body?

Isn't it nice to feel better? Isn't it nice to feel better?
Isn't it nice to feel better? Isn't it nice to feel better?
Isn't it nice to feel better? Isn't it nice to feel better?
Isn't it nice to feel better? Isn't it nice to feel better?
And better again, and better again, and better again
And better again, and better again, and better again
And better again, you're better than them, you're better than them
Oh better again, better again, better again
Oh isn't it nice, isn't it nice, isn't it nice?
Isn't it nice, isn't it nice, isn't it nice?
Isn't it nice, isn't it nice, isn't it nice?
Isn't it nice, isn't it nice, isn't it nice?
Isn't it nice to feel better? Isn't it nice to feel better?
Oh isn't it nice, isn't it nice, isn't it nice?
Oh isn't it nice, isn't it nice, isn't it nice?
Oh isn't it nice, isn't it nice, isn't it nice?
Isn't it nice, isn't it nice?
Oh isn't it nice, isn't it nice, isn't it nice?
Oh isn't it nice...
