

## Dedication Time

**Timber Timbre**

It's dedication time  
It's medication time  
It's meditation time  
It's dedication time  
For anyone  
Let's roll the paradigm  
Prepare the dime  
Let's throw a pair of dice to paradise tonight  
And when I say "I" I mean let's take the telephone for a ride  
Let's roll the paradigm  
Let's throw a pair of dice from paradise to paradise tonight  
'Cause it's dedication time  
And paradise tonight  
Let's dedicate some time  
To paradise tonight

It's dedication time  
And paradise tonight
