

Attention

Timeflies

Scotch'd up

You've been runnin' round,
Runnin' round, runnin' round,
Throwin' that dirt all on my name
'Cause you knew that I
Knew that I, knew that
I'd call you up
You've been goin' round
Goin' round, goin' round
Every party in L.A.
'Cause you knew that I
Knew that I, knew that
I'd be at one, oh

I know that dress is karma, perfume regret
You got me thinkin'
'Bout when you were mine
And now I'm all up on you
What you expect?
But you're not comin' home with me tonight

Yeah, you just want attention
You don't want my heart
Maybe you just hate the thought
Of me with someone new
Yeah, you just want attention
I knew from the start
You're just making sure
I'm never gettin' over you, oh

You just want attention
Ohhhh
Aye, yeah
You just want attention
Attention
You just want attention
Hey, yeah
Attention, attention, attention

You've been runnin' round,
Runnin' round, runnin' round,
Throwin' that dirt all on my name
'Cause you knew that I
Knew that I, knew that
I'd call you up
Baby, now that we're
Now that we're, now that we're
Right here standin' face-to-face
You already know
Already know, already know
That you won, oh, oh

Now I know the party started at 8
You know if you know me
I'm showin' up late
Man, this is awkward

I'm here with a date
Maybe we planned it
Maybe it's fate, uh
With a freestyle
I can see you over there
I know you stressin'
You ask a hundred questions
Confessions

You just want attention
You don't want my heart
Maybe you just hate the thought
Of me with someone new
Yeah, you just want attention
I knew from the start
You're just making sure
I'm never gettin' over you

Yeah, you just want attention
You just want attention
Oh, yeah
You just want attention
Yeah, aye, yeah

You just want attention
Attention
You just want attention
Attention, attention, attention
You just want attention
You, You, You, you just want attention
You just want attention, attention, attention
Attention attention attention
You just want attention

You just want attention...
