

## Be Easy

Timeflies

I remember like it's yesterday  
Back when I was Westchester made  
Back when I was like 5'5"  
And none of these girls was getting next to me  
When my voice was as high as I am now  
When my nerves wouldn't let me on stage  
I was cool but I never was a standout  
Shit look what I became, uh

Rez let's kick it here for old times  
Like we was way back in '09  
Look right back when we had Danny in the crew  
And my mom came through every showtime

Saying live easy, look at this crowd  
5 years out you gon' talk about now  
Believe me, don't you ever look down  
Keep your head up and your feet on the ground

'Cause you got to be easy, everything is alright  
Got me feeling like na, na-na-na-na, na-na  
You got to be easy, everything is alright  
Got me feeling like na, na-na-na-na, na-na

I remember taking laps through the quad  
Natty in the back of the jeep with the squad  
All the girls laying on our lawn  
While we're playing our song  
Looking at us like, "Oh my God"  
Thinking, "Man, if we could just do that  
If we could get a song up on FreshNewTracks  
If Waldo doesn't call the cops, if 101 had locks  
If hotung didn't get so packed, woo!"

But Jerry and LP we were hungry  
And ever since they heard me free people love me  
64 bars deep on them Rza beats  
In the backseat of the town and country  
No time for stress, I'm blessed, I confess  
I've been pressed tryna turn all of they no's into yes  
I'm obsessed with being the best, ain't no time for rest  
I'ma turn life's checkmates into cash checks

You got to be easy, everything is alright  
Got me feeling like na, na-na-na-na, na-na  
You got to be easy, everything is alright  
Got me feeling like na, na-na-na-na, na-na

This is for 156 and for 4850  
Rolling up spliffs 'cause all the dutches were gone  
Back when we were just kids taking trains  
Into the city singing, na, na-na-na-na, na-na  
Let 'em know

You got to be easy, everything is alright  
Got me feeling like na, na-na-na-na, na-na  
You got to be easy, everything is alright

Got me feeling like na, na-na-na-na, na-na

You got to be easy, everything is alright  
Got me feeling like na, na-na-na-na, na-na  
You got to be easy, everything is alright  
Got me feeling like na, na-na-na-na, na-na
