

# I Can't Help

Timeflies

I can't help, I-I can't help  
I, I, falling in love with you

They say you can't have it both ways  
I don't really think it's true (I don't really think it's true)  
'Cause I just wanna have your cake, cake, cake  
And I wanna eat it too (and I wanna eat it too)  
Girl, what you do to me?  
Got a little box of some jewelry  
Pouring Louis and Louis V  
Steak dinner with the [?]  
Hold up, you got me switching my stance up  
You got me changing my answers  
Goddamn, I'm feeling romantic (oh no)  
I got her flowers on a Tuesday  
And you know I did it just because it's Tuesday  
Should be out with my friends right now  
But let's stay home and watch a movie  
What happened to me, 'cause I...

I can't help, I-I can't help  
I, I, falling in love with you  
I can't help, I-I can't help  
I, I, falling in love with you

Baby, tell me when you're getting off  
She says, "Soon as you take me home"  
Damn, girl, you know I like that (I like that)  
She said, "Good, better check your phone"  
I be here when you're texting  
These days, I ain't even check your mentions  
I may have ADD, but you got my attention  
Like who says that?  
Messages that I don't want my friends to see  
I don't want them reading this shit  
About how you just get me nervous  
It's my first day, first love, butterflies and my first kiss (oh my God)  
Freaky Friday in this bitch  
Help me change back, back when we were running every chick like a racetrack  
Had a line running out the crib like a Shake Shack  
Then what happened to me, 'cause I...

I can't help, I-I can't help  
I, I, falling in love with you (Falling in love with you)  
I can't help, I-I can't help (I can't help)  
I, I, falling in love with you (Falling in love with you)

I can't help myself  
Feel like I don't see no one else  
Before I had you (Before I had you, yeah)  
How to spend my time  
So what did I do? (What did I do now?)  
Must be on my mind, oh no no

I can't help, I-I can't help (I can't help it)  
I, I, falling in love with you  
(It's like I'm falling in love with you)

I can't help, I-I can't help  
I, I, falling in love with you (I'm falling in love)

I'm falling in love with you, baby  
I'm falling, I'm falling, I'm falling  
(Falling in love with you)  
I'm falling in love with you
