

## No Excuses

Timeflies

It's been a long day, I know  
Let's have a longer night at home  
I know you're stressed out so we should get down  
And get dressed up in no clothes  
You know that we was supposed to go out  
You feel like staying in, well no doubt  
Don't need your nails done or your hair did  
We gon' bring the club to your house

Save your excuses, uh huh  
You know the truth is that I  
Love it when you're dressing down, yeah  
We don't need to hit the town, yeah  
Save your excuses, uh huh  
You know the truth is that I  
Love you with no makeup on, yeah  
I'mma bring this party home

Cause you got Gucci sweaters  
But I like you better  
Rocking yoga pants with those Uggs  
Baby, that's the shit that I love  
Cause you don't need Versace  
Just hop up on me  
Rocking yoga pants with those Uggs  
Baby, that's the shit that I love  
No excuses

I got a disco ball in your crib  
I'll bring that dance floor where you live  
Don't need no VIP in this party  
Cause we the only two on this list  
Just take those panties off of your legs  
And those extensions out of your hair  
I got that fog machine in your living room  
I got strobe lights in your bed  
(Take it back now)

Save your excuses, uh huh  
You know the truth is that I  
Love it when you're dressing down, yeah  
We don't need to hit the town, yeah  
Save your excuses, uh huh  
You know the truth is that I  
Love you with no makeup on, yeah  
I'mma bring this party home

Cause you got Gucci sweaters  
But I like you better  
Rocking yoga pants with those Uggs  
Baby, that's the shit that I love  
Cause you don't need Versace  
Just hop up on me  
Rocking yoga pants with those Uggs  
Baby, that's the shit that I love

Just cause you wanna stay home doesn't mean you gotta stay home alone

I'll be over in a minute to hit it  
I'm bringing generous chicken, now lick it off the bone, yeah  
Just cause you wanna stay home doesn't mean you gotta stay home alone  
Girl you looking sexy, just text me and I'll be knocking on your door

Baby, cause you got Gucci sweaters  
But I like you better  
Rocking yoga pants with those Uggs  
Baby, that's the shit that I love  
Cause you don't need Versace  
Just hop up on me  
Rocking yoga pants with those Uggs  
Baby, that's the shit that I love

No excuses  
Just cause you wanna stay home doesn't mean you gotta stay home alone  
Rocking yoga pants with those Uggs

No excuses
