

Paranoid

Timeflies

Shoes off, feet killin' me
Rollin' up in a limousine, aye
With my Nikes off, yeah
Tell the club
Go and turn the lights off
Aye, auto-tune what?
I don't need shit
I don't give a fuck, aye
Say what?
His repetition not sayin' much
Shit, like it's Bieber's Deposition
I don't know if I can feel it
While I free it all at will, uh
What?
You gon' call this shit a full night
Say that I'm a dreamer
See what happens
If you go and say "Selena"
I got dollar signs comin'
I got dollar signs leavin'
I give you a for fuckin' signin', baby
And you can go believein'
They say
Whatchu want, yeah?
You can see though
Uh, poppin' bottles out
That's my cliquot

I see two of my bitches in the club
I know they know about each other
I think these bitches tryna set me up
Maybe I'm just paranoid

Yeah, I'm paranoid, I'm trippin'
Been smokin'
Been sippin'
I'm fuckin' around with two bitches
But I never made them hoes my Mrs
Yeah, I'm paranoid, I'm trippin'
Been smokin'
Been sippin'
I'm fuckin' around with two bitches
But I never made them hoes my Mrs

Come on

Got it at it
Lookin' like a freak though
I told her "Rizzy on the beat, hoe."
Yeah, look at me, I'll find you
Yeah, girls out
It's like a drive-through
I could order up
Hit me with a glass or two
I could get it on the shorty
You know that I'm after you
Yeah, now you won't fear the get-up

Two bitches, man
It's feelin' like a set up

I see two of my bitches in the club
I know they know about each other
I think these bitches tryna set me up
Maybe I'm just paranoid

Yeah, I'm paranoid, I'm trippin'
Been smokin'
Been sippin'
I'm fuckin' around with two bitches
But I never made them hoes my Mrs
I'm paranoid, I'm trippin'
Been smokin'
Been sippin'
I'm fuckin' around with two bitches
But I never made them hoes my Mrs

See me comin', rendition
Lookin' at you right through the partition
Yeah, what they all say?
Ass, ass so fly lookin', lookin' like Beyoncé
Way she back it up
Way-way she put it down, yeah
Way she got it on me
Yeah, you know she run the town, aye
Uh, in your face
You can drop it low, girl
Like the fuckin' bass
I told her like...

I'm paranoid, I'm trippin'
Been smokin'
Been sippin'
I'm fuckin' around with two bitches
But I never made them hoes my Mrs
I'm paranoid, I'm trippin'
Been smokin'

But I never made them hoes my Mrs

But I never made them hoes my Mrs

Two my bitches in the club...
