

# Something Bout You

Timeflies

Somethin' 'bout you makes me feel like a dangerous woman  
Somethin' 'bout you makes me wanna do things that I shouldn't  
Somethin' 'bout you makes me feel like a dangerous woman  
Somethin' 'bout you

Okay, you showed up, almost with nice clothes  
And tight clothes  
Three girls, they strike in a nice pose  
And you took a look around at the scene  
Couple people here, all the sudden you lookin' at me  
Then you took out your phone, looked at your friends  
Tried to avoid eye contact, but it happened again  
So then you walked over with your crew  
Your other friends say, "You checkin' me out?"  
"Oh no, I wasn't looking at you"  
But her? Yes, girl on the left  
Her cheeks turning bright red, just like her dress  
I stand up, man up, can I get you a... (yes, yes)  
Next step, time to impress  
I'm from outside the city and damn you a bitty  
I've been everywhere out from London to Chile  
She tell me she visited and I have been feeling in love with your confidence  
Shut up and kiss me now  
It's cold out and I got a spot down the street  
Tell your friends that it's time to leave, let's go

Somethin' 'bout you makes me feel like a dangerous woman  
Somethin' 'bout you makes me wanna do things that I shouldn't  
Somethin' 'bout you makes me feel like a dangerous woman  
Somethin' 'bout you  
Woman

Press me 'gainst the elevator door  
Lips lock, riding to the tippy, tippy-top floor  
Then you, with your body lookin' like God bless  
Push me on the bed, make me watch you get undressed  
And you, you won't take your eyes off me  
Hike your skirt a lil' bit, put your thighs on me  
Oh you, baby, let it slide in deep  
Let me be your rollercoaster, r-r-ride on me  
Let me switch up the tempo, yup, I love your rhythms  
Turn up your reputation and adrenaline drippin'  
Cause it's lit tonight, up in the crib tonight  
And they call me Cal Al, so you must be my crib tonight  
She said that the truth is, "I don't normally do this"  
But you just hit me with the lines, Confucius  
Patron, limes, mixing all of the Gooses  
But same time tonight, let's do this  
Cause something 'bout you

Somethin' 'bout you makes me feel like a dangerous woman  
Somethin' 'bout you makes me wanna do things that I shouldn't  
Somethin' 'bout you makes me feel like a dangerous woman  
Somethin' 'bout you

There's somethin' 'bout you, babe  
It's just somethin' 'bout you, babe

Woman  
Somethin' 'bout you
