

Cardio

Timmy Trumpet

All we do is work hard, play hard, push that body-o
Heartbeat's on a roll, we're non-stop cardio
We're talking, can't stop, won't stop, hustle till the morn
Heartbeat's on a roll, we're non-stop cardio

They're saying, "Hey, you should be tired now"
Heart beating four on the floor
Yeah, I've been stepping up the mile count
Got me wild, and I keep wanting more

All we do is work hard, play hard, push that body-o
Heartbeat's on a roll, we're non-stop cardio
We're talking, can't stop, won't stop, hustle till the morn
Heartbeat's on a roll, we're non-stop cardio

Push that body-o
Heartbeat's on a roll, we're non-stop cardio
Hustle till the morn
Heartbeat's on a roll, we're non-stop cardio

Cardio, cardio
Cardio, cardio
Cardio
Non-stop cardio

They're saying, "Hey, why don't you tire out?"
The BPM is just right
Yeah, you've been running round my mind now
Got me wild, I keep going tonight, tonight
Tonight, -ight -ight -ight -ight
I keep going tonight, -ight -ight -ight -ight -ight -ight
Tonight, tonight, tonight, I keep going
Tonight, tonight, tonight, ton-

All we do is work hard, play hard, push that body-o
Heartbeat's on a roll, we're non-stop cardio
We're talking, can't stop, won't stop, hustle till the morn
Heartbeat's on a roll, we're non-stop cardio

Cardio, cardio
Cardio, cardio
Non-stop cardio
Cardio, cardio
Cardio, cardio
Non-stop cardio
