

# Chasing Ghosts

Timmy Trumpet

Oh, all I know  
Everywhere I go  
I've been chasing ghosts  
When my eyes close  
Oh, I'm not alone  
I still feel your soul  
But I let you go  
Now I'm out here chasing ghosts  
(Now I'm out here chasing ghosts)

Baby, all I know  
Everywhere I go  
I've been chasing ghosts  
When my eyes close  
Oh, I'm not alone  
I still feel your soul  
But I let you go  
Now I'm out here chasing ghosts  
(Now I'm out here chasing ghosts)

Oh, all I know  
Everywhere I go  
I've been chasing ghosts  
When my eyes close  
Oh, I'm not alone  
I still feel your soul  
But I let you go  
Now I'm out here chasing ghosts  
(Now I'm out here chasing ghosts)

Baby, all I know  
Everywhere I go  
I've been chasing ghosts  
When my eyes close  
Oh, I'm not alone  
I still feel your soul  
But I let you go  
Now I'm out here chasing ghosts  
(Now I'm out here chasing ghosts)
