

# Cold

Timmy Trumpet

Listen baby I'm sorry  
I didn't mean to let you down  
I was just missin'  
We gotta turn this thing around  
And you're deep in  
Feels like you're swimming inside my veins  
Under my skin and  
All that is going on in my brain

Each time I tried to leave this behind  
You're hard to shake its like you're ruling my life  
You know I can't get you off my mind  
Need a reason why

Why'd you have to leave me in the cold  
Cold cold cold cold  
Why'd you have to leave me in the cold  
Cold cold cold cold  
Why'd you have to leave me in the cold

Each time I tried to leave this behind  
You're hard to shake its like you're ruling my life  
You know I can't get you off my mind  
Need a reason why

Why'd you have to leave me in the cold  
Cold cold cold cold  
Why'd you have to leave me in the cold  
Cold cold cold cold  
Why'd you have to leave me in the cold

Why'd you have to leave me in the cold  
Cold cold cold cold  
Why'd you have to leave me in the cold
