

# Let's Get Raving

Timmy Trumpet

Our ravers who are our brethren  
We gather here untamed  
Thy kicks and drums thy bass is one  
On earth as we rave to heaven  
Give us your daily beats and forgive our trespasses  
As we forgive those who seek to keep our raves from us  
Our music unites us  
We are one people  
Amen

Now let's get raving

Now let's get raving  
Now let's get raving  
Now let's get raving  
Now let's get raving  
Now let's get raving  
Now let's get raving  
Now let's get raving  
Now let's get raving  
Raving, raving, raving...

Now let's get raving

Now let's get raving

Give us your daily beats and forgive our trespasses  
As we forgive those who seek to keep our raves from us  
Our music unites us  
We are one people  
Amen

Now let's get raving

Now let's get raving

(Now let's get raving)  
(Raving, raving, raving...)
