

Can You Feel It

Timomatic

I don't know how I got here
But it don't even matter
I'm lost out in the darkness
With lights and sounds and lasers

Somewhere in the distance
I hear a whisper
I can feel it calling me, calling me
It's just like an echo
Telling me to let go
Coming from a voice that I can't see

To all my party people 'round the globe
Oh, oh, oh
This is the sound of the music taking hope
Can you feel it?
Oh-oh whoa oh, oh-oh whoa...
Can you feel it?
Oh-oh whoa oh, oh-oh whoa...
Can you feel it?

I'm riding on the sound-waves
And I can see the light glow
Surrounded by this moment
The music takes me higher

Somewhere in the distance
I hear a whisper
I can feel it calling me, calling me
It's just like an echo
Telling me to let go
Coming from a voice that I can't see

To all my party people 'round the globe
Oh, oh, oh, oh
This is the sound of the music taking hope
Can you feel it?
Oh-oh whoa oh, oh-oh whoa...
Can you feel it?
Oh-oh whoa oh, oh-oh whoa...
Can you feel it?

Can you feel it?

To all my party people 'round the globe
Can you feel it?
Oh-oh whoa oh, oh-oh whoa...
Can you feel it?
Oh-oh whoa oh, oh-oh whoa...
Can you feel it?

Can you feel it?
