

Dangerous

Timomatic

I think about you every day, every night
Reminisce bout' all of the times, when we did
All that crazy shit girl you know
We were dangerous so dangerous
I think about you every day, every night
Reminisce bout' all of the times, when we did
All that crazy shit girl you know
We were dangerous so dangerous

3 am no sleep, mind is on rotation
Are you fast asleep? what is your location?
Thinking bout' this life we don't get it twice
So if I die tonight, know that I still love you
Know I care about you
No dis' to that new nig that you're with
You know I got you
But if he slip up I'mma turn into a killer
Forgive me girl I'm all up in my feelings
I don't wanna waste another moment, another second
No pressure I just want you to know
I don't wanna waste another moment, another second
You got my soul

I think about you every day, every night
Reminisce bout' all of the times, when we did
All that crazy shit girl you know
We were dangerous so dangerous
I think about you every day, every night
Reminisce bout' all of the times, when we did
All that crazy shit girl you know
We were dangerous so dangerous

Sunset boulevard, kissing at the bar, Hollywood
Never looked so good it was you and me baby
Bar to the door, door to the bed, bed to the shower
We were there for hours
Girl I want you, I want you
It's been so long I still feel the same
Girl I want you, I want you
I want you baby I want you
I don't wanna waste another moment, another second
No pressure I just want you to know
I don't wanna waste another moment, another second
You got my soul

I think about you every day, every night
Reminisce bout' all of the times, when we did
All that crazy shit girl you know
We were dangerous so dangerous
I think about you every day, every night
Reminisce bout' all of the times, when we did
All that crazy shit girl you know
We were dangerous so dangerous
