

Do You Right

Timomatic

Slow whine slow whine
Oh oh oh yeah

Me I go do you right
In the worst way

Oh baby I just wanna feel your body
Baby can I be real
Everything about you make me wanna go deep
Your smile, your thighs, those eyes
That's what I like about you
You make me feel brand new
Even in the worst girl you keep your cool
I can't deny, so nice, so nice

I don't wanna waste your
I don't wanna waste your time
Girl I'm gonna take my time, time

Me I go do you right
In the worst way, hey
And we can go all night
What they gon' say?
Nothin', oh no
I no go lie, I no go lie
Sexy, skin tight
I no go lie, I no go lie
Sexy girl you're my type

Got me dreaming, wondering
Got me thinking 'bout the freaky things that you do to me
Baby don't hold it back
I'm craving all of that
You know I want you right now
All that we got is right now

I don't wanna waste your
I don't wanna waste your time
Girl I'm gonna take my time, time

Me I go do you right
In the worst way, hey
And we can go all night
What they gon' say?
Nothin, oh no
I no go lie, I no go lie
Sexy, skin tight
I no go lie, I no go lie
Sexy girl you're my type
I no go lie, I no go lie
Sexy, skin tight
I no go lie, I no go lie
Sexy girl you're my type

Your body's calling for me my baby
Your body's calling for me my baby

Me I go do you right
In the worst way, hey
And we can go all night
What they gon' say?
Nothin, oh no
I no go lie, I no go lie
Sexy, skin tight
I no go lie, I no go lie
Sexy girl you're my type
I no go lie, I no go lie
Sexy, skin tight
I no go lie, I no go lie
Sexy girl you're my type
I no go lie, I no go lie
Sexy girl you're my type
