

Everything Is Allowed

Timomatic

Your body language is out of control
Yeah, like you wanna get out of those clothes
Yeah, you're such a monster, a wild animal
But I ain't scared, I ain't scared, no, I'm bringing you home

Pardon my manners but I'm ready to cross the line
Just follow me, love, follow me, love
Pardon my manners but I see no forbidden sign
Just follow me, love, follow me, love

'Cause tonight we let all the freaks come out
Shut it down, let your body be the tool tonight
Screw it up, in here everything is allowed

EVERYTHING IS ALLOWED
EVERYTHING IS ALLOWED

'Cause tonight we let all the freaks come out
Shut it down, let your body be the tool tonight
Screw it up, in here everything is allowed

EVERYTHING IS ALLOWED
EVERYTHING IS ALLOWED

EVERYTHING IS ALLOWED
EVERYTHING IS ALLOWED

Go on upon it, show me your grind
Rip up that tear, girl, don't be shy
Or you can ware that, like you like
I'm not gonna stare, I'm not gonna stare
'Cause you're driving me wild

Pardon my manners but I'm ready to cross the line
Just follow me, love, follow me, love
Pardon my manners but I see no forbidden sign
Just follow me, love, follow me, love

'Cause tonight we let all the freaks come out
Shut it down, let your body be the tool tonight
Screw it up, in here everything is allowed

EVERYTHING IS ALLOWED
EVERYTHING IS ALLOWED

'Cause tonight we let all the freaks come out
Shut it down, let your body be the tool tonight
Screw it up, in here everything is allowed

EVERYTHING IS ALLOWED
EVERYTHING IS ALLOWED

EVERYTHING IS ALLOWED
EVERYTHING IS ALLOWED

Rules were meant to be broken so I, I, I
I'mma do whatever I like

Dance with every girl in my sight
Light it up like you're dynamite

'Cause tonight we let all the freaks come out
Shut it down, let your body be the tool tonight
Screw it up, in here everything is allowed

EVERYTHING IS ALLOWED
EVERYTHING IS ALLOWED

EVERYTHING IS ALLOWED
EVERYTHING IS ALLOWED
EVERYTHING IS ALLOWED
EVERYTHING IS ALLOWED
