

Explode

Timomatic

Stop, wait a minute, can't believe my eyes
Saw you in the street girl, made me realize
That you might be the sexiest lady I've ever seen
Nothing will save me!

Look at those legs, look at that smile
Look at that behind, girl I wanna cry
Got everything I've ever wanted
Got everything, oh baby you're flawless

If I offend you, I'm sorry
It's just that you got the sexiest body

Girl, you make me explode
You're so dangerous
I'm losing control
You're so dangerous
You make a man go oh, oh
You make a man go oh, oh
You make a man go oh, oh
Oh baby, cause you're so dangerous
Oh, oh, oh, ooh
Oh, oh, oh, ooh

Can I get a replay, can I push rewind
Stopped me in my tracks, I need another try
Cause you deserve a standing ovation
So good it hurts, you got me shaking

If I say this wrong, then I'm sorry
I'm sorry baby girl
But you blow my mind and I'm worried

Girl, you make me explode
You're so dangerous
I'm losing control
You're so dangerous
You make a man go oh, oh
You make a man go oh, oh
You make a man go oh, oh
Oh baby, cause you're so dangerous

Hey, feel it all over the club
You're the only girl that stops my world like
Oh, I'm like oh, I'm like oh, oh
Hey, feel it all over the club
You're the only one that makes me go like
Oh, I'm like oh, I'm like oh, oh
Girl, you make me explode
Oh, you're so dangerous
I'm losing control, oh
Oh baby!

Girl, you make me explode
You're so dangerous
I'm losing control
You're so dangerous
You make a man go oh, oh

You make a man go oh, oh
You make a man go oh, oh
Oh baby, cause you're so dangerous
