

iHate U

Timothy Bloom

Time is running out
You're about to catch a train, you're heading out
Stay, oh, let's talk it out
Please stick around, don't leave me now

But you go on your merry way
Like everything's cool, I figured out
True love, you've found another guy
And I was replacable, the well has run dry

But If I said I did love you, never lie, no way
Such a dangerous feeling, that you set in me, in core
Right now I hate u, I hate u, I hate u, I hate u this much

Lover of mine (lover)
Said you want to walk out the door, leave it all behind
But what kind of man would I be
If I just watch you leave
Oh baby, the thought of it, I can barely breathe

But you go on your merry way
Like everything's cool, I figured out
True love, you've found another guy
And I was replacable, the well has run dry

But If I said I did love you, never lie, no way
Such a dangerous feeling, that you set in me, in core
Right now I hate u, I hate u, I hate u, I hate u this much
