

# Self Love

Timothy Bloom

I'll wake up  
Take care of myself  
No makeup  
I'll love all myself  
And I pray  
For all that I need  
And I [?]  
For the facts that I leave

The water  
Flowin' down on my skin  
It showers  
The confusion in me  
And I'll lay  
While I hide [?]  
With the sound  
Of music above

Self-love  
Before I love anyway  
Self-love  
Before I lose everything  
Self-love, love, no  
Self-love, love, no

On Mondays  
I'm checking my phone  
Then Tuesday  
I'll rewrite it all  
For Wednesday  
To show her eyes  
Then Thursday  
Hurry by myself

Self-love  
Before I love anyway  
Self-love  
Before I lose everything  
Self-love, love, no  
Self-love, love, no

It will show you the way  
It will show you the way  
It will show you the way  
It will show you the way  
Love
