Woouoooo!!! Woouoooo!!! (yeah) Woouoooo!!! (Alright now)
Woouoooo!!! (Yeah) Woouoooo!!! (Huhu, alright)
Woouoooo!!!

Excuse me, Miss, I don't mean to take up your time
But in my heart, right from the start, I can't let you pass me
by
What's up girl, you're sexy, but with an elegant attitude
Wishful thinking, a tunnel vision, when am I gonna wifey you?

'Cause this party like ain't nothing out there for me
You're my prototype, you're the girl in all my dreams
I wanna make you mine, can I make you mine, mi-mine

Woouoooo!!! (yeah)
Woouoooo!!!
Woouoooo!!!
Woouoooo!!!

Good god my lord, I've never seen nothing like your kind
I've got heaven on earth, but you're hell on a skirt
With a sight I cannot lie
I had to step right up, we got a line that's closing in
With a fish like yours, I want so much more, not talking about
a one night stand

'Cause this party like ain't nothing out there for me
You're my prototype, you're the girl in all my dreams
I wanna make you mine, I wanna make you mine

Woouoooo!!! (wohoho)
Woouoooo!!! (good god, good god)
Woouoooo!!! (good god, good god, good god)
Woouoooo!!!

(Yeah, wohohoho)
(Bring it back down, right?)
I've never had this feeling baby
You can call it crazy
But I can't control this taking over, lover
Lover, ever met no other
Sex you, oh, it's illing, inside you girl I discovered...

'Cause this party like ain't nothing out there for me
You're my prototype, you're the girl in all my dreams
I wanna make you mine, I wanna make you mine
