

# Flashback

Tina Arena

Today I'm in the middle  
Of getting by  
I had a premonition  
Let me tell you why  
I still think about you baby  
More than a memory  
A flame that will not die  
Let me tell ya'  
You wanna know it  
Yeah  
I'm havin' a flashback  
Tonight  
I just need to walk about for a while  
Cause you're not understanding me  
So just close your eyes and try  
Tonight  
I know there's is no turning back  
This time  
If you're not understanding me  
Well then close your eyes and try  
Baby  
You've just gotta try  
The four walls that surround me  
As I'm reeling through the years  
Still echo with the feelings  
The laughter and the tears  
Ahh lets talk about it baby  
Lets rise above it all  
And get on with our lives  
Let me tell ya'  
You wanna know it  
Yeah  
I'm havin' a flashback  
Tonight  
I just wanna walk about  
For a while  
Cause you're not understanding me  
So close your eyes and try  
Tonight  
I just wanna walk about  
For a while  
But baby  
Can't you see  
What it's doin' to me  
Open up your heart and  
Set those demons free  
Baby baby  
I'm havin' a flashback  
Tonight  
I just need to walk about  
For a while  
Cause you're not understanding me  
So just close your eyes and try  
Tonight  
I know there is no turning back  
This time  
Try and understand me

Just close your eyes and try  
Can't you see that it's a flashback  
Oh flashback  
Ooh whoo ooh yeah  
Baby it's a flashback  
Aah come on  
Baby lets walk about for a while  
Ooh understand me  
Understand me  
It's a flash back  
Oh flashback  
I know there is no turning back now  
You're not understanding me
