

# Destiny

Tina Campbell

I've got a destination in my veiw  
The road may be bumpy getting there  
But I'm pressing through  
I will enjoy this journey  
No matter come what may  
I'll become better and stronger  
And wiser everyday

I've got a vision and a purpose  
A divine destiny  
It may not look like it right now  
But faith ain't what I see  
It is the things I hope for  
believing that it will come  
And no matter how long it takes  
I know God's will shall be done

His will is that I prosper  
His will is that I win  
His will is that I fight on  
His will is that I live  
Ooooo He gave me what I needed  
When He gave me his son  
He gave me hope and a future  
He gave me the greatest love

And now that I've got Jesus  
Helping me along the way  
He's perfecting everything about this ole girl  
Making me brand new in every way

So I'm singing Hallelujah  
I'm not what I used to be  
I'm following Jesus everyday  
To reach my destiny

(I believe I'll sing it again)  
Hallelujah  
I'm not what I used to be  
I'm following Jesus everyday  
To reach my destiny

(I believe I'll sing it again)  
Hallelujah  
I'm not what I used to be  
I'm following Jesus everyday  
To reach my destiny
