1. Last night we tried to touch but we never got close
E C#m Asm A B
Last night we tried to talk, the words got caught in our throats
B F#
When we finally fell asleep
F#m As
We couldn't have been further apart

C#m
R: Look me in the heart
B
If you think that love is blind
A
Baby look me in the heart
(B) C#m
And you'll see that I'm so crazy about you baby
B
And it's not in my mind
A
Can't you look me in the heart

Look me in the heart

2. You try to say that I'm hiding from you
You act like a spy always looking for clues
You've read about my past
But why don't we try to make a new start

R: Look me in the heart...

C# As F#
*: Remember how good we used to be together
F#m
Remember baby, so be tender baby
C# As F#
Remember the love we said would last forever
F#m
I know we can make it like that again
