

# Take Me to the River

Tina Turner

Wash me!

I don't know why I love you like I do  
With all the changes I keep going through  
Lost all my money and my happiness  
And I haven't had the worst of it yet  
I wanna know, tell me, tell me why  
I love it still

Take me to the river  
Wash me down  
Yeah, drop me in the water  
Back to my fishing ground

And I don't know why they treat me so bad  
Think of all the good things that I've never had  
Love is an ocean I won't forget  
My sweet sixteen I will never regret  
I wanna know, won't you tell me, tell me why  
I love it still

C'mon, river  
Wet me down  
Yeah, dip me in the water  
Back to my fishing ground

And hold me, squeeze me  
Just love me, and tease me  
Till I can't, till I can't  
Take it no more

I don't know why you treat me so bad  
Think of all the good things that I've never had  
Love's an ocean I won't forget  
My sweet sixteen I will never regret  
I wanna know, you tell me, tell me why  
I love it still

Take me to the river  
And dip me in the water  
Take me to the river  
Drop me in the water  
Take me to the river  
Drop me in the water  
Yeah take me to the water  
My fishing ground

Wash me, wet me  
Squeeze me, and tease me

Washing me down
