No, no, no  
You don't love me and I know now  
No, no, no  
You don't love me as I know now,  
cause you left me, babe  
and I got no place to go now

No, no, no  
(no, no, no)  
I do anything to stay boy  
No, no, no  
I do anything to stay boy,  
cause if you ask me, babe

I'll get on my knees and pray, boy  
(I'll get on my knees and pray, boy  
I'll get on my knees and pray, boy)

I don't know you don't love me and I know now  
(I don't mind)  
No, no, no  
You don't love me as I know now
