

Hopscotch

Tinashe

Alright, we got another beautiful day here in sunny Los Angeles, California
Let's take a look at our seven day forecast
We're seeing lots of sunshine all week long
Temperature's in the mid to upper 70s and don't forget
It's Taco Tuesdays, we got blow, hoes, and indo

Hey, when I'm lonely, I always blow up
Top drop, feel like Otis, I always pull up
Two time, never on me, assume this shit is nice
I love when you notice, you know I go nuts
Dip-dip like a donut, I'm hard to locate
Lipstick on a soda, gon' pour it on your face
Move bitch, bitch I'm Luda'
Assume this shit is nice
Cash, cash, I got too much
Pour some just in case

Hopscotch, block's hot, pop rocks, off top
Like I know it
Non-stop, bop-bop, bop, drop top
'Cause I own it
Block's hot, pop rocks, hopscotch, off top
Like I know it
Non-stop, bop-bop, bops, drop top
'Cause I own it

Hey, when I'm lonely, I hit my main bitch
Two shots better pour it, we really off the shits
L.A. like I'm Bronny, been ballin' kinda nice
Loose chains, that's a throwaway
That's really real rich

Hopscotch, block's hot, pop rocks, off top
Like I know it
Non-stop, bop-bop, bops, drop top
'Cause I own it
Block's hot, pop rocks, hopscotch, off top
Like I know it
Non-stop, bop-bop, bops, drop top
'Cause I own it

Mm-mm, this year I done made a lot
Got so many cars, I'ma need a lot
