

Joyride

Tinashe

Oh-oh-oh-oh

What you lookin' at now baby?
Won't you usually hold my door
I been all alone my baby
Can't do a sober drive, no
Found love in November nights
Cold weather in the winter time, oh, woah
Guess you know when the time is right
Let's go on a joyride, oh

They be like la, la, la, la, la, la, la, la, la, la
They be like la, la, la, la, la, la, la, la
They be like la, la, la, la, la, la, la, la, la, la
They be like la, la, la, la, la, la, la, la
They be like la, la, la, la, la, la, la, la, la, la

Tell me what you lookin' at baby?
Been in this club for a long time, no
Need another shot now baby (la, la)
Roll another joint, let go
I been rock and rollin' with my ex
We be gettin' closer to the x
We be always poppin' like the ex
Crossin' out the haters with the x

They be like la, la, la, la, la, la, la, la, la, la
They be like la, la, la, la, la, la, la, la
They be like la, la, la, la, la, la, la, la, la, la
They be like la, la, la, la, la, la, la, la
