

# No Contest

Tinashe

Why you all on my conscience  
Swear you don't know what you do  
Got me thinking that I'm just..  
Maybe I'm in love with you  
Yeah I heard all that nonsense (Yeah I know)  
All them girls be all on you  
But I ain't here for no contest  
When it comes to loving you

All the time understand  
When I kid 'bout yo playin'  
I just like how we vibe  
We should ride, we should hang  
We'd sip low like a Lambo  
Speed, never brake  
Boy stop playing, up your game  
Only me in your lane

(Cause some things)  
We don't need to talk about  
(All you need)  
Is somebody to hold you down  
Run up now, running fast  
On my mind, night and day  
I'm like damn, not complaining  
I'm just saying

Hardly ever speaking, it's been weeks now, where the time go?  
I been incognito and I blame it on the time zone  
No one likes a shady nigga cause shady niggas fall back  
But I'll give you the benefit of the doubt if you want that, oh

All the time understand  
When I kid 'bout your playin'  
I just like how we vibe  
We should ride, we should hang  
We'd sip low like a Lambo  
Speed, never brake  
Boy stop playing up your game  
Only me in your plans

(Cause some things)  
We don't need to talk about  
(All you need)  
Is somebody to hold you down  
Run up now, running fast  
On my mind, night and day  
I'm like damn, not complaining  
I'm just saying
