

Remember When

Tinashe

Who am I to fall in love again?
Fallin' so easy
Why am I so reckless with my heart?
Why, oh no
Ooh, but I just wanna love ya, I just wanna love ya
I just wanna love you, love you in spite of it, everything
I just wanna kiss ya, I just wanna hold ya
I just wanna touch you, need you inside of me

Do you remember when, we went to the park at night
And told you how I felt, I'll never forget
I hope you know I meant, I hope you know I meant
Every word I said, every word I said to you, baby

I was made for you
Ooh, ah

Pickin' up the pieces of a mess
But I feel like myself again, ooh, oh
Think I saw forever in your eyes
Eye-eye, eye-eyes
Know the situation's pretty complicated
I just wanna go back, if we could foster it, no
Hopin' you're not just playin' with my emotions
Or maybe I'm just stupid
Do you still believe in it?

Do you remember when, made you those promises
I'll never forget, I'll never forget
I hope you know I meant, I hope you know I meant
Every word I said, every word I said to you, babe

Ooh, oh, ooh, oh yeah
Ooh, oh, ooh, oh, ooh
I hope you know I meant it
I know, I know, I-I, I-I
Know, I know, I know, I
