

# Touch & Go

Tinashe

Wish you would say something to make me change my mind  
Got me feeling like somebody else  
I been so patient wit ya but ya won't act right  
And I'm tired of sleeping by myself

What is we on, something is wrong, show me you want me too, mmm  
Checking my phone every 10 minutes thinking it's gonna be you, mmm

I just wanna fix this  
But you don't wanna try  
If you don't wanna be here  
Why you always on my line?  
Putting your peace over mine  
Meet me in the middle

Mmmmmmm (touch and go)  
Mmmhmmmmmm  
Mmmmmmm (touch and go)  
Mmmhmmmmmm (I'm too emotional)  
Mmmmmmm (touch and go)  
Mmmhmmmmmm (I'm too emotional)  
Mmmmmmm (touch and go)  
Mmmhmmmmmm (I'm too emotional)

I been in touch with myself lately I been kicking it back  
But you're working me so hard I swear it's killing me, yeah  
Why we talk the most any time we lay down in the bed  
Good head make you forget what you said  
I been tryna take it there, but  
Make it clear uh  
You been f\*cking many weirdos

Ima kill bro  
Sike I'm playing  
I know it's been bad  
It's been touch and go  
It's been round and round  
It's been loop de loop  
We been here before

I just wanna fix this  
But you don't wanna try  
If you don't wanna be here  
Why you always on my line?  
Putting your peace over mine  
Meet me in the middle

Mmmmmmm (touch and go)  
Mmmhmmmmmm  
Mmmmmmm (touch and go)  
Mmmhmmmmmm (I'm too emotional)  
Mmmmmmm (touch and go)  
Mmmhmmmmmm (I'm too emotional)  
Mmmmmmm (touch and go)  
Mmmhmmmmmm (I'm too emotional)

Baby, do you hear me?

Tell me you still see me  
All I know is I just need to know that you still need me  
Baby, do you hear me?  
Tell me you still see me  
I just need to have you closer every time you're near me

Mmmmmmm (touch and go)  
Mmmhmmmmmm  
Mmmmmmm (touch and go)  
Mmmhmmmmmm (I'm too emotional)  
Mmmmmmm (touch and go)  
Mmmhmmmmmm (I'm too emotional)  
Mmmmmmm (touch and go)  
Mmmhmmmmmm (I'm too emotional)
