

Falling, the Light

Tindersticks

Falling, the light on Neal's Yard
Falling, the light on Coldharbour Lane
Falling, the light on your hand in mine
Falling, the light on the secret shared

Falling, the light on the grace of the babe
Falling, the light is falling

Falling, the light on Saint Mary's
Falling, the light on Ladywell
Falling, the light on our wedding day
Falling, the light on our lovers' gaze

Falling, the light on the grace of the day
Falling, the light is falling

Falling, the light on the grace of the day
Falling, the light is falling

Falling, the light on the joy of those days
Falling, the light is falling
