

Harmony Around My Table

Tindersticks

I found a penny, I picked it up
And on that day I had some luck
But now that was two weeks last Tuesday
Since then there's been a sliding feeling

I had a deal but they broke it Monday
I couldn't figure out what they were saying
Now my kids are looking hungry
I get some harmony around my table

So I tell my girl I'll be back on Thursday
There's a song out there and I'm going to find it
That melody is out there somewhere
I get some harmony around my table

I get some giggling in my bedroom
I get some fuel to put on my fire
I get some beers from my frigo
I get some harmony around my table

I found a penny, I picked it up
On that day I had some luck
But now it fell down through my lining
Out through the holes in my shoes

And so I tell my girl I'll be back on Thursday
There's a song out there and I'm going to find it
That melody is out there somewhere
I get some harmony around my table

I found a penny, I picked it up
And on that day I had some luck
But now that was two weeks last Tuesday
Since then there's been a sliding feeling

I had a deal but they broke it Monday
I couldn't figure out what they were saying
Now my kids are looking hungry
I get some harmony around my table

I get some giggling in my bedroom
I get some fuel to put on my fire
I get some miscellan'ous good times
A little joy and a little loving

I found a penny, I picked it up
And on that day I had some luck
But now that was two weeks last Tuesday
Since then there's been a sliding feeling

I had a deal but they broke it Monday
I couldn't figure out what they were saying
Now my kids are looking hungry
I get some harmony around my table
