

Pinky In The Daylight

Tindersticks

With your lip bit and your nails too
Your hair pinned and falling down
With your elbows extended
I follow the shape of your brow
And there's a new kind of beauty
That I've never seen before
In the flickering of a candle
The paint on my brush

Pinky in the daylight
Crimson at night
Yeah, I love you
(Yeah, I love you)
Pinky in the daylight
Crimson at night
Yeah, I love you
(Yeah, I love you)

Silvery in the moonlight
Like dusk on the sea
I'm standing at your shoreline
An ocean at my feet
And in that moment I am ready
I am humbled and I am free
And I can feel all those colors, baby
Pour back into me

Pinky in the daylight
Crimson at night
Yeah, I love you
(Yeah, I love you)
Pinky in the daylight
Crimson at night
Yeah, I love you
(Yeah, I love you)

And in those times when I was blinded
The colors faded away
Bleached by my own sadness
I was slipping into the grey
But now I see it

Pinky in the daylight
Crimson at night
Yeah, I love you
(Yeah, I love you)
Pinky in the daylight
Crimson at night
Yeah, I love you
(Yeah, I love you)

Pinky in the daylight
Crimson at night
Yeah, I love you
(Yeah, I love you)
Pinky in the daylight
Crimson at night

Yup, I love you
(Yeah, I love you)

Yeah, I love you
Yeah, he loves you
