I ain't chasin' nobody
But if you stay needy, I got that for you
Know that I got that for you
Not just gon' run when you ready
You gotta make up your mind, don't waste my time, oh

Say you want this, baby, take your time
Do shit to me, make me change my mind
Can't be love if we're just fuckin' right
You was my side bae, late nights in the driveway

I been talkin' shit, but, boy, I mean it
You been catchin' feelings, I can feel it
But when you leave the lights on, it get real wild
X-rated, faded, make me take it off
I can't trust these niggas, yeah, I know
Do the most, don't take it personal
My ex-nigga made a bitch so cold
So now I'm like

I ain't chasin' nobody
But if you stay needy, I got that for you
Know that I got that for you
Not just gon' run when you ready
You gotta make up your mind, don't waste my time, oh
I ain't chasin' nobody
But if you stay needy, I got that for you
Know that I got that for you
Not just gon' run when you ready
You gotta make up your mind, don't waste my time, oh

Touch it, kiss it, lick it how I like
Make me feel a tingle in my spine
We can go all night, just take your time
Fuck me with the lights on
Tryna see what the vibes are
