

Count On U

Tink

Would you do the same for me?
Would you do the same for me?

I see I need someone crazy for my love
For my love
I need someone that'll meet me there if I jump
If I jump

Will you dive to the bottom of the ocean, the ocean
For me?
If the cops came running and I had no time
I depend on you
Will you be a fool for your lady?
I just want somebody that's crazy for my love

'Cause whether I'm down or whether I'm up
Going through things, you know it can get tough
Can I count on you? Can I count on you?
And if I pull the trigger will you bust back?
You ain't gotta act, you know I'm gonna blast
Can I count on you? Can I count on you?

To do the same for me? [x2]
Would you do the same for me? [x2]

'Cause baby, you gotta be ready
Living this lifestyle
I say baby, you gotta protect me
'Cause it gets so wild
On my side will you ride?
Ride, whether I'm wrong or I'm right

Would you dive to the bottom of the ocean, the ocean
For me?
If the cops came running and I had no time
I depend on you
Will you be a fool for your lady?
I just want somebody that's crazy for my love

'Cause whether I'm down or whether I'm up
Going through things, you know it can get tough
Can I count on you? Can I count on you?
And if I pull the trigger will you bust back?
You ain't gotta act, you know I'm gonna blast
Can I count on you? Can I count on you?

To do the same for me?
Would you do, would you do, would you do
