

Cum'n 2

Tink

Maybe I'm just stressed
Or maybe I'm obsessed
Findin' love like this
I didn't know exist, I
Feel it in my chest
I can't get no rest
Thought of your absence got me way too upset Oh

This little heart ain't for breakin'
Say we won't make it
But you just don't know what it takes for me
To keep a smile on my face
While you search for replacements
You ain't gone leave 'less you wait for me
I'm cum'n
Ain't no runnin'
For your lovin' you leave I'm comin' too
I'm cum'n
For your lovin'
Ain't no runnin you leave and I'll come with you
So much I'm in love with you
If you leave then I'm comin' too
So much I'm in love with you
If you leave then I'll come with you

It's gone be some trouble
Tell'em I still love you
Too possessive got me stressin'
Want nobody else touchin' you
No need for my pride'd rather make you mine
Either we both go or we stay you decide

This little heart ain't for breakin'
Say we won't make it
But you just don't know what it takes for me
To keep a smile on my face
While you search for replacements
You ain't gone leave 'less you wait for me
I'm cum'n
Ain't no runnin'
For your lovin' you leave I'm comin' too
I'm cum'n
For your lovin'
Ain't no runnin you leave and I'll come with you
So much I'm in love with you
If you leave then I'm comin' too
So much I'm in love with you
If you leave then I'll come with you
('Cause if you leave I'm cum'n 2)
