

Dangerous

Tink

(Hitmaka)

Act like you ain't tryna fuck with me
Act like you ain't still in love with me
Act like you we ain't have chemistry
Act like this ain't worth anything
Misery, why you ain't been here for me?
Stole all my happiness, you the one who asked for this

Lovin' you is so dangerous (Lovin' you is so dangerous)
Never know when you're changin' up (Never know when you're changin' up)
Lovin' you is so dangerous (Lovin' you is so dangerous)
Never know when you're changin' up (Never know when you're changin' up)

Heard it all before, havin' déjà vu
First you say you real, then you leave me all confused
You ain't got no feelings, you ain't came to visit
You've been movin' differently and I don't like this energy

I wanted it for life
How you gonna act like that?
I wanted it for life
How you gonna act like that?
How you gonna up and leave me now?
How you gonna act like that?
How you gonna change it up
We just finished, wakin' up
How you gonna act like that?

Lovin' you is so dangerous (Dangerous, dangerous)
Never know when you're changin' up
Drivin' me insane 'cause
Lovin' you is so dangerous (Dangerous)
Never know when you're changin' up (Never know when you're changin' up)

Do you even care? You ain't showed no interest
You ain't hit me once just to check on how I'm feelin'
Feelin' all distracted, wonderin' what's happenin'
Thought that you was into me but you ain't even passionate
Misery, why I need you physically?
Don't know what you did to me
Takin' all my dignity
Back and forth, it's killin' me
This love isn't mutual
'Cause you always let me down, the usual, yeah

I wanted it for life
How you gonna act like that?
I wanted it for life
How you gonna act like that?
How you gonna up and leave me now?
How you gonna act like that?
How you gonna change it up
We just finished, wakin' up
How you gonna act like that?

Lovin' you is so dangerous (Dangerous, dangerous, lovin' you is so dangerous)

)
Never know when you're changin' up
Drivin' me insane 'cause
Lovin' you is so dangerous (Dangerous, dangerous, lovin' you is so dangerous
)
Never know when you're changin' up (Never know when you're changin' up)
