

## Drunk Text'n

Tink

Dusse' in my system  
Might just tell'em that I miss him  
I ain't got no business dialin' you at 2am  
But I been sippin'  
Liquor got me all in my feelings  
Drunk textin'  
Sendin' him directions  
Tryna see if he gone come by  
Drunk textin'  
Hope he gets the message  
Givin' you a piece of my mind

This ain't even like me  
Sending him positions  
Can't believe I'm in this condition  
This ain't even like me  
Drunk enough to call you  
Tryna get the t-shirt up off you  
Liquor gone get me in trouble  
Liquor got me seein' double  
Liquor make me wanna fuck you  
Drunk enough to say I love you  
I want to hit it in the morning  
Ohh I wanna hear you say my name  
Boy it ain't no chaser when I'm pourin' it  
Drinkin' 'til tomorrow  
Come through let me fuck you off this bottle

Dusse' in my system  
Might just tell'em that I miss him  
I ain't got no business dialin' you at 2am  
But I been sippin'  
Liquor got me all in my feelings  
Drunk textin'  
Sendin' him directions  
Tryna see if he gone come by  
Drunk textin'  
Hope he gets the message  
Givin' you a piece of my mind

Casamigos got me horny  
Can I borrow you tonight until the morning  
Ain't no stoppin'  
We'll go rounds just keep on going  
Need that dick one more time  
Can't get you off my mind  
Tryna control myself  
But off that liquor  
Never should've sent that text  
But boy I miss you  
Drinkin' got me feelin' bold  
Ooh I don't like it when you tell me no  
Now you know I'm drunk when I start double textin'

Slide on me come get me right  
Slide on me just for tonight

Dusse' in my system
