Hitmaka
Maestro while you listen them bass drops

I had to double-back, you way too good at that
Your face was all in that, you can't keep doin' that
The way you arch my back, then pull me close to you
You hit it like a champ, damn, I'm so proud of you

Pussy undefeated, might give a title (Title)
Call me when you need it, you know I'll provide you
Can you keep a secret? Boy, I'm gon' surprise you
Wettest when you slide through (Wet), oh

Once you feel it, dive off in the deep end
You won't need a reason
You gon' keep comin' back like, "Girl, where you goin' with that?"
Love when you choke me, grab me, stroke me
Watch me when I give it back
This I want, nasty, bite it, scratch it
When I fuck, you fuck me back

Love when you fuck me, fuck me, fuck me (You slide in deep)
And I throw it back
Love when you fuck me (Oh), fuck me, fuck me (You slide in deep)
And I throw it back
Love when you

Sweat it out, you make me sweat it out
Can't fight this feeling, babe
So wet, we 'bout to drown
Your hands around my neck, my legs on top of you
Can't lie, you're fuckin' me like you got somethin' to prove, oh

Pussy undefeated, might give a title (Title)
Call me when you need it, you know I'll provide you
Can you keep a secret? Boy, I'm gon' surprise you
Wettest when you slide through (Wet), oh

Once you feel it, dive off in the deep end
You won't need a reason
You gon' keep comin' back like, "Girl, where you goin' with that?" (Ooh)
Love when you choke me, grab me, stroke me
Watch me when I give it back
This I want, nasty, bite it, scratch it
When I fuck, you fuck me back

Love when you fuck me, fuck me, fuck me (You slide in deep)
And I throw it back
Love when you fuck me (Oh), fuck me, fuck me (You slide in deep)
And I throw it back
Love when you
